**Show times: 11 a.m. and 1 & 3 p.m.**

While in pursuit of **The Joker**, **Batman & Wonder Woman** take time out of their crime-fighting to present the importance of everyday heroes, like parents, teachers and firemen. Suddenly, the ever-taunting **Joker** (who has his own twisted idea about heroes) interrupts our **Dynamic Duo**. Will the whole appearance be foiled? You can count on **Batman & Wonder Woman** to restore order and bring **The Joker** to justice!
